National FHA Week

The week of February 13 - 17 is observed as National FHA Week. This week is set aside for Future Homemakers of America to carry out special activities and to reflect upon those in which they did in the past year.

The motto of the Future Homemakers of America is "Toward New Horizons." As we strive to live by this motto we are guided by the following purposes: to provide opportunities for self-development and preparation for family and community living and for employment; to strengthen the function of the family as a basic unit of society; to encourage democracy through cooperative action in the home and community; to encourage individual and group involvement in helping to achieve world-wide brotherhood; to institute programs promoting greater understanding between youth and adults; to provide opportunities for decision making and for assuming responsibility; to become aware of the multiple roles of men and women in today's society; and to develop interest in home economics careers and related occupations.

Future Homemakers of America at Appomattox County High School have worked to fulfill these purposes by carrying out various activities. In the fall, many FHA members from ACHS attended a mini-leadership conference at the Altavista Armory. This helped members to develop their leadership potential. FHA also co-sponsored a dance-a-thon with FBLA to help raise money for The March of Dimes. At Christmas the FHA Welfare Committee gave a party for the children at the Miller Home in Lynchburg. Finally, the FHA gave a Valentine's Dance Saturday, February 11th, to help get FHA Week off to a good start.

Throughout the year, FHA members have worked to improve their home and family living.

AT OUR MONTHLY FHA MEETINGS all members get involved and have a good time.

ONE OF OUR SPECIAL EVENTS this year was our Dancethon co-sponsored by FHA and FBLA. Members danced to raise money for the March of Dimes.

GUYS 'N FHA? Yes, believe it or not, men can be homemakers just as women are.
